ABOUT BVIMSR

BVIMSR has been consistently ranked amongst the top B Schools in Navi Mumbai & Western India. With a world class infrastructure at a serene location BVIMSR provides a holistic environment for all around learning and development.

BVIMSR prides itself on being a student-centric institute. Students here are entrusted with resources and responsibilities early on. They are encouraged to take important administrative and policy decisions that sculpt their future and that of the Institute. This facilitates their all-round development, over and above academic performance. The Students' Council at BVIMSR is the student body responsible and accountable for all activities on the Campus throughout the year. BVIMSR, in this pandemic situation have organized a gambit of activities for the development of students. These activities have been appreciated and supported by the students.

BVIMSR has developed unique learning initiatives which have come to be the hallmark of the institute. These initiatives are the outcome of three decades of experience in the field of management education. They have been developed with the help of faculty, who are in touch with the industry's current needs and the active participation of the students themselves.

INTRODUCTION

Today electronic resources (e-resources) provides wide variety of primary and secondary data sources for accessing electronic material. These e-resources helps students to perform better while improving their overall personality. The present online workshop envisages students with the role of E-resources in Teaching, Learning and Research.

TARGETED AUDIENCE

Undergraduate Students from Universities, Institutions and colleges, who wants to get knowledge about role of E-resources in teaching, learning and research.
