Navi Mumbai: The Human Capital Club and Operations Club of Bharati Vidyapeeth Institute of Management Studies and Research (IMSR), in collaboration with the Indian Society for Training and Development (ISDT) Navi Mumbai, organized an insightful lecture on "Various Opportunities in Finance" on September 14th.

The event was inaugurated by Dr. Anjali Kalse, Director of Bharati Vidyapeeth IMSR, who praised the initiative for its innovative approach in providing valuable knowledge to students.

Sandeep Singh, Vice President of Treasury, Commercial, and Investment Banking at JP Morgan & Chase, Mumbai, and an alumnus of Bharati Vidyapeeth IMSR, served as the keynote speaker.

Singh addressed various queries from students regarding career opportunities and emerging trends in the financial sector, offering his expertise and insights to help guide future professionals.

The lecture provided a comprehensive overview of the financial industry, highlighting potential career paths and the skills required to excel in this dynamic field.

NIPM Raigad and Bharati Vidyapeeth IMSR host seminar on workplace management and sustainability

Navi Mumbai: The National Institute of Personnel Management (NIPM) Raigad and Bharati Vidyapeeth's Institute of Management Studies and Research (IMSR) jointly organized a seminar focusing on effective workplace management and environmental sustainability. The event was graced by Dr. M.H. Raja, National President of NIPM, who served as the chief guest, and featured renowned speakers who addressed key topics relevant to human resources and organizational development.

Dr. Anil Garg, an international motivational speaker, delivered an engaging session, offering insights on managing workplace pressure through a holistic approach. His guidance captivated the audience, which included HR professionals, students, and faculty members. Additionally, Sachin Adkar, Sub-Regional Officer at the Maharashtra Pollution Control Board, shared practical advice on fostering environmental sustainability, emphasizing the need for individual responsibility in driving eco-friendly practices.

The seminar also included a special segment where Lifetime Achievement Awards were presented to distinguished contributors in the fields of Human Resources (HR) and Industrial Relations (IR). The awards were conferred by Dr. M.H. Raja and Kishore Shelke, President of NIPM Raigad. Dr. Sancher Shikhe received a special recognition for completing his Ph.D., marking a significant academic milestone.

Dr. Kuldeep Bhairao, Chairperson of the Ph.D. Program and Chief Mentor of the Human Capital and Operations Clubs at Bharati Vidyapeeth IMSR, expressed his appreciation to Kishore Shelke, Dr. Vilasrao Kadam, Regional Director of Bharati Vidyapeeth Mumbai campus, and Dr. Anjali Kalase, Director of BVIMSR Navi Mumbai, for their steadfast support in organizing the seminar.

Kishore Shelke extended his gratitude to the organizing team, including Prathiba Somwanshi (Secretary), Praveen Karkare (Treasurer), and Dr. Sancher Shikhe (EC Member), along with committee members who played vital roles in the event's success. Acknowledgments were also given to the student volunteers, including Divya Pawar, Anushka Bhoir, Sanket Kurat, Deepthi Hadwale, Munazza Khan, and others, for their valuable contributions.

ORGANIZED BY
Institution's Innovation Council (IIC),
Bharati Vidyapeeth's Institute of Management Studies and Research

Warm Greetings from BVMSR,

As we go through a time of uncertainty it is important for young Aspiring Minds to focus on innovative ideas. The Institute recognises that apart from churning Human Capital for the corporate world it is also important to Foster an environment for imparting skills for translating students into entrepreneurs given the momentum and thrust that this activity has received from the central government to make India as a major player in the field of innovation and manufacturing. A conducive and viable ecosystem exists today which can be leveraged to translate students into potential entrepreneurs. The Institute has proactively initiated a gamut of activities in conjunction with students to draw and inspire them to be entrepreneurs. An Institute's Innovation Council has also been setup for this purpose.

To further its goal of making the institute as a viable entrepreneurial centre the IIC has tied up with professional bodies with expertise in skill enhancement and establishing incubation centres. This symbiotic partnership of the institute with students and professional organisations for the propagation of entrepreneurship development is exemplified by the acronym Pride.

Pride under the aegis of IIC is organising "Impetus 2024" which will feature lectures and a business plan competition.

ORGANIZED BY
Institution's Innovation Council (IIC),
Bharati Vidyapeeth's Institute of Management Studies and Research

Warm Greetings from BVIMSR,

As we go through a time of uncertainty it is important for young Aspiring Minds to focus on innovative ideas. The institute recognises that apart from churning Human Capital for the corporate world it is also important to Foster an environment for imparting skills for translating students into entrepreneurs given the momentum and thrust that this activity has received from the central government to make India as a major player in the field of innovation and manufacturing. A conducive and viable ecosystem exists today which can be leveraged to translate students into potential entrepreneurs. The institute has proactively initiated a gambit of activities in conjunction with students to draw and inspire them to be entrepreneurs. An institute's Innovation Council has also been setup for this purpose.

To further its goal of making the institute as a viable entrepreneurial centre the IIC has tied up with professional bodies with expertise in skill enhancement and establishing incubation centres. This symbiotic partnership of the institute with students and professional organisations for the propagation of entrepreneurship development is exemplified by the acronym Pride.

Pride under the aegis of IIC is organising "Impetus 2024" which will feature lectures and a business plan competition.
